

## **Quarterly Meeting May 23, 2018**

The Basin Environmental Improvement Project Commission will conduct a regular quarterly meeting from 9:30 AM to 4:00 PM on May 23, 2018 at the Coeur d'Alene Inn, 506 Appleway Ave., Coeur d'Alene, Idaho.

The meeting will include discussions on issues of public concern consideration of two recommendations involving BEIPC operations, a presentation of the CDA Fish Tissue Project Study results; updates on CDA Lake Management Plan Implementation, on the remodeling of the BEIPC web page, on Box and Basin Budgets and 2018 project work, on the Memorandum of Agreement between the upper basin jurisdictions and the BEIPC concerning flooding issues, and in the CDA Basin Restoration Partnership and Restoration Plan.

The meeting draft agenda is posted at the BEIPC office, 1005 W. McKinley Avenue, Kellogg, Idaho and on the BEIPC Website at [www.basincommission.com](http://www.basincommission.com).

For more information and for individuals planning to attend the meeting requiring special needs, please contact Terry Harwood, BEIPC Executive Director at (208) 783-2528 or [terry.harwood@deq.idaho.gov](mailto:terry.harwood@deq.idaho.gov)
